

01: Dont Be Scared Bear

Responding to my negotiated brief, I have created a Picture book to support and encourage young children to be confident within themselves in order to thrive.

The snow began to get **thick**

Bear flipped Fox
onto his back

Making it across the
river, Bear felt very
confident

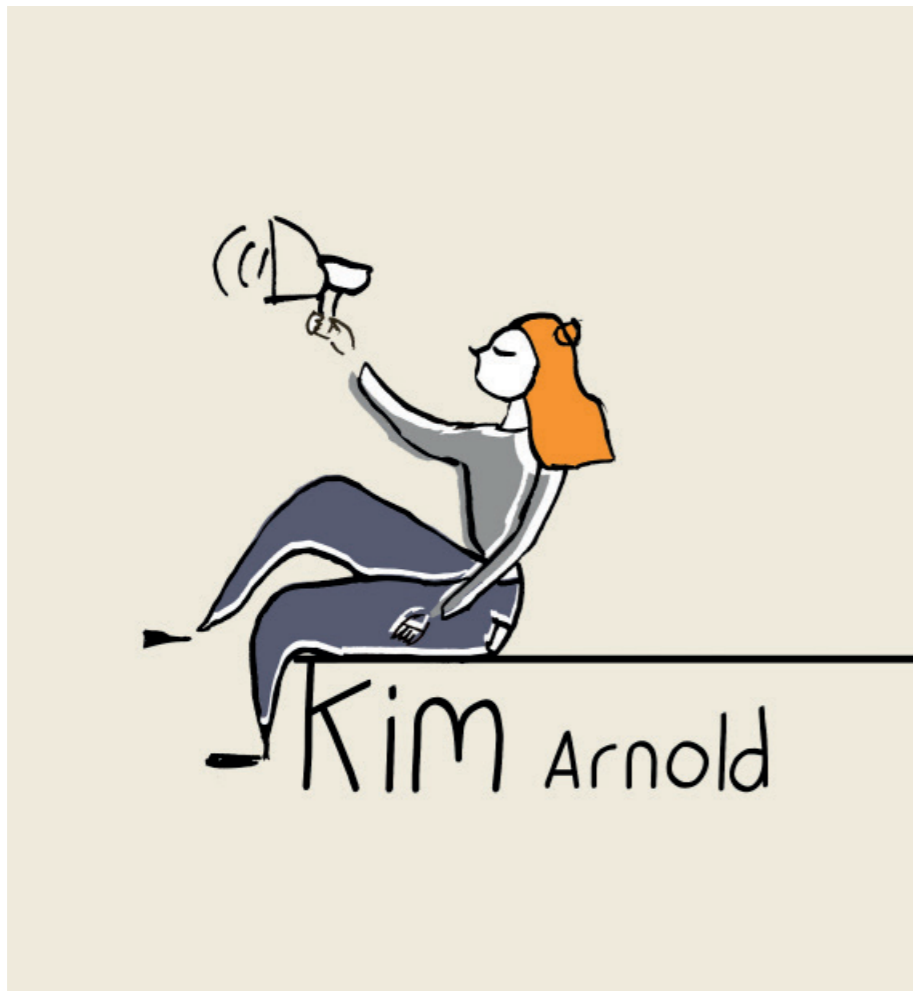

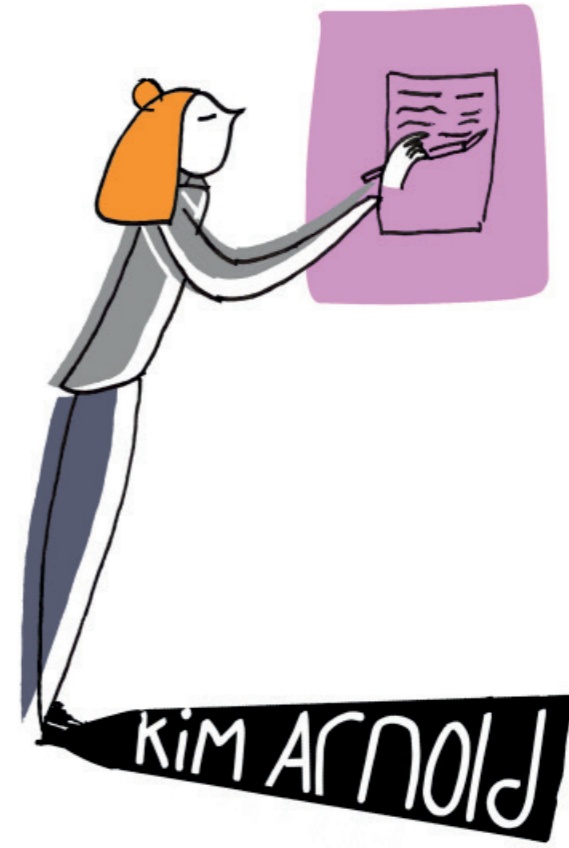

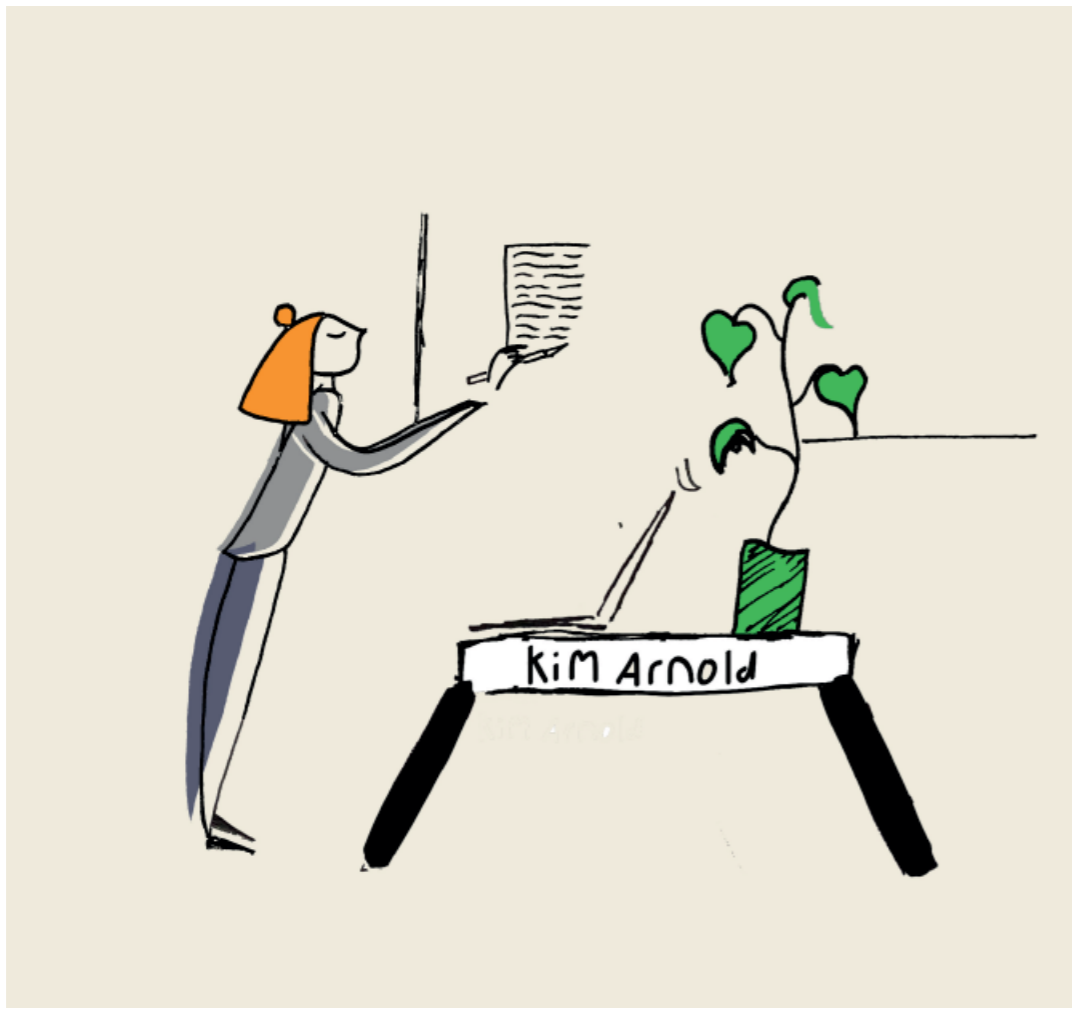

They continued through the forest

Landing softly in the snow

I did it! said Bear

Lets keep on going said Fox

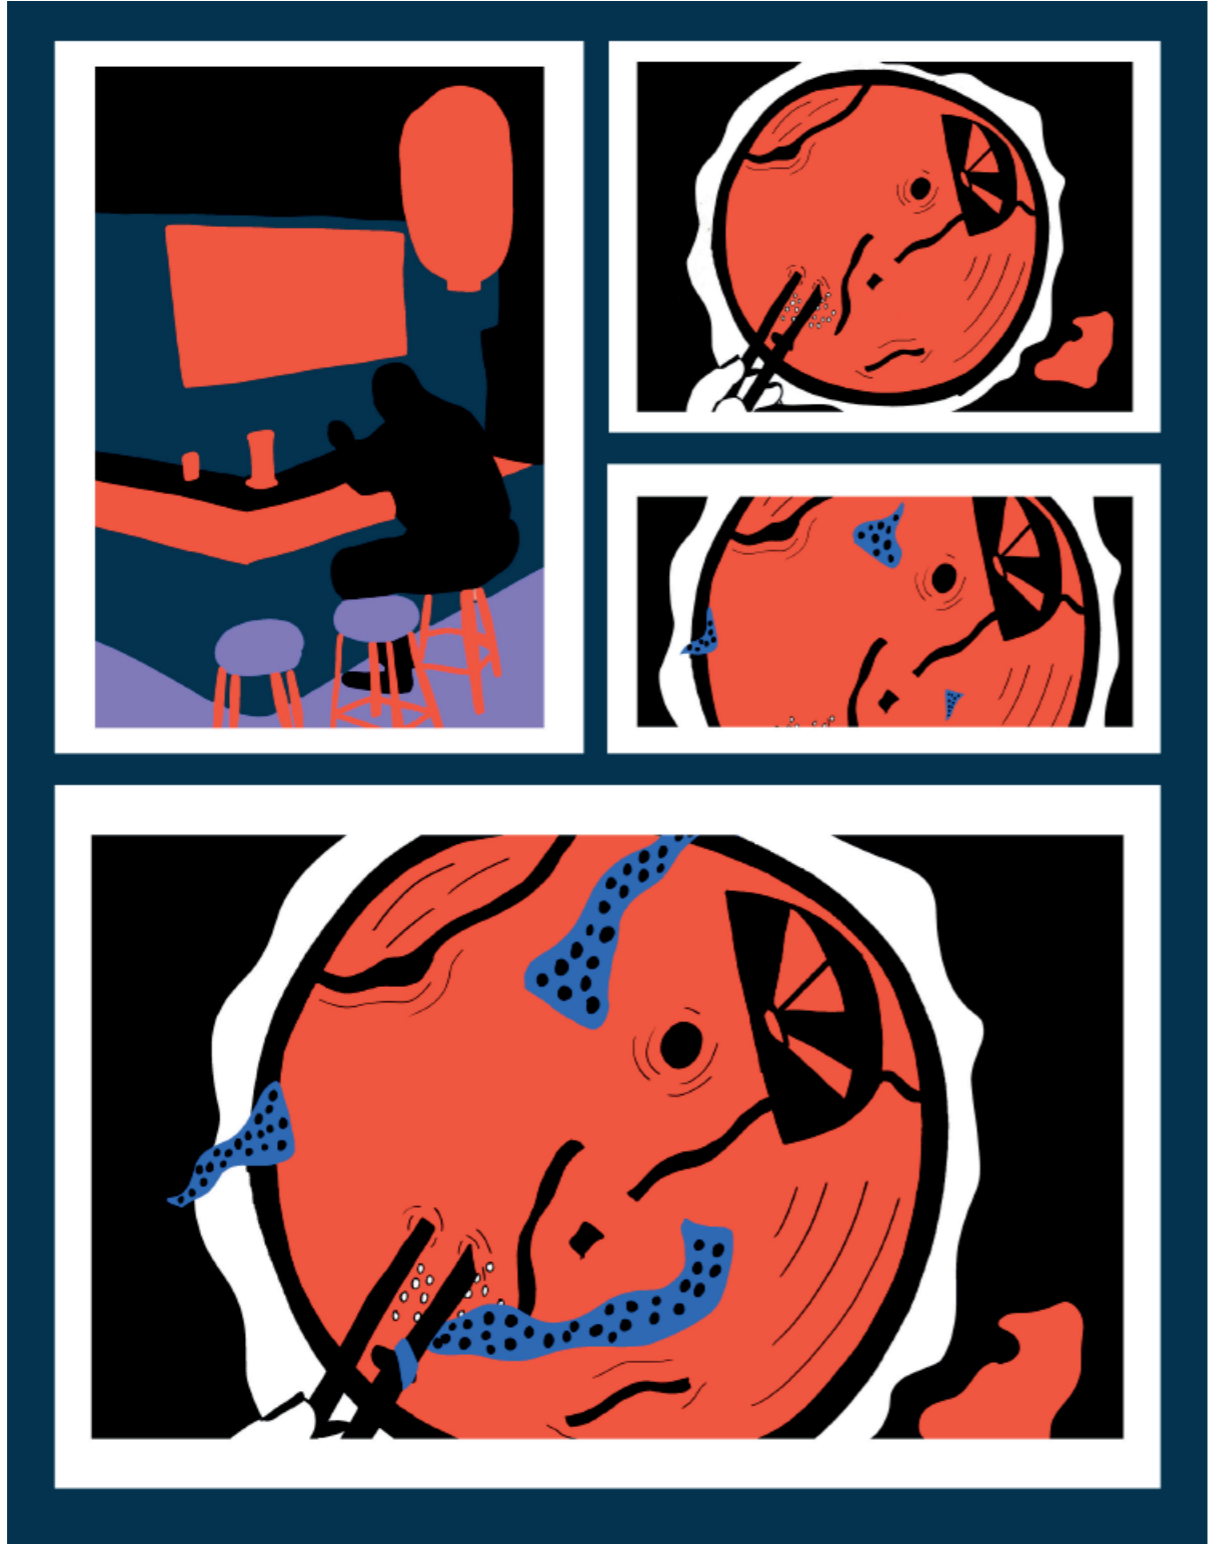

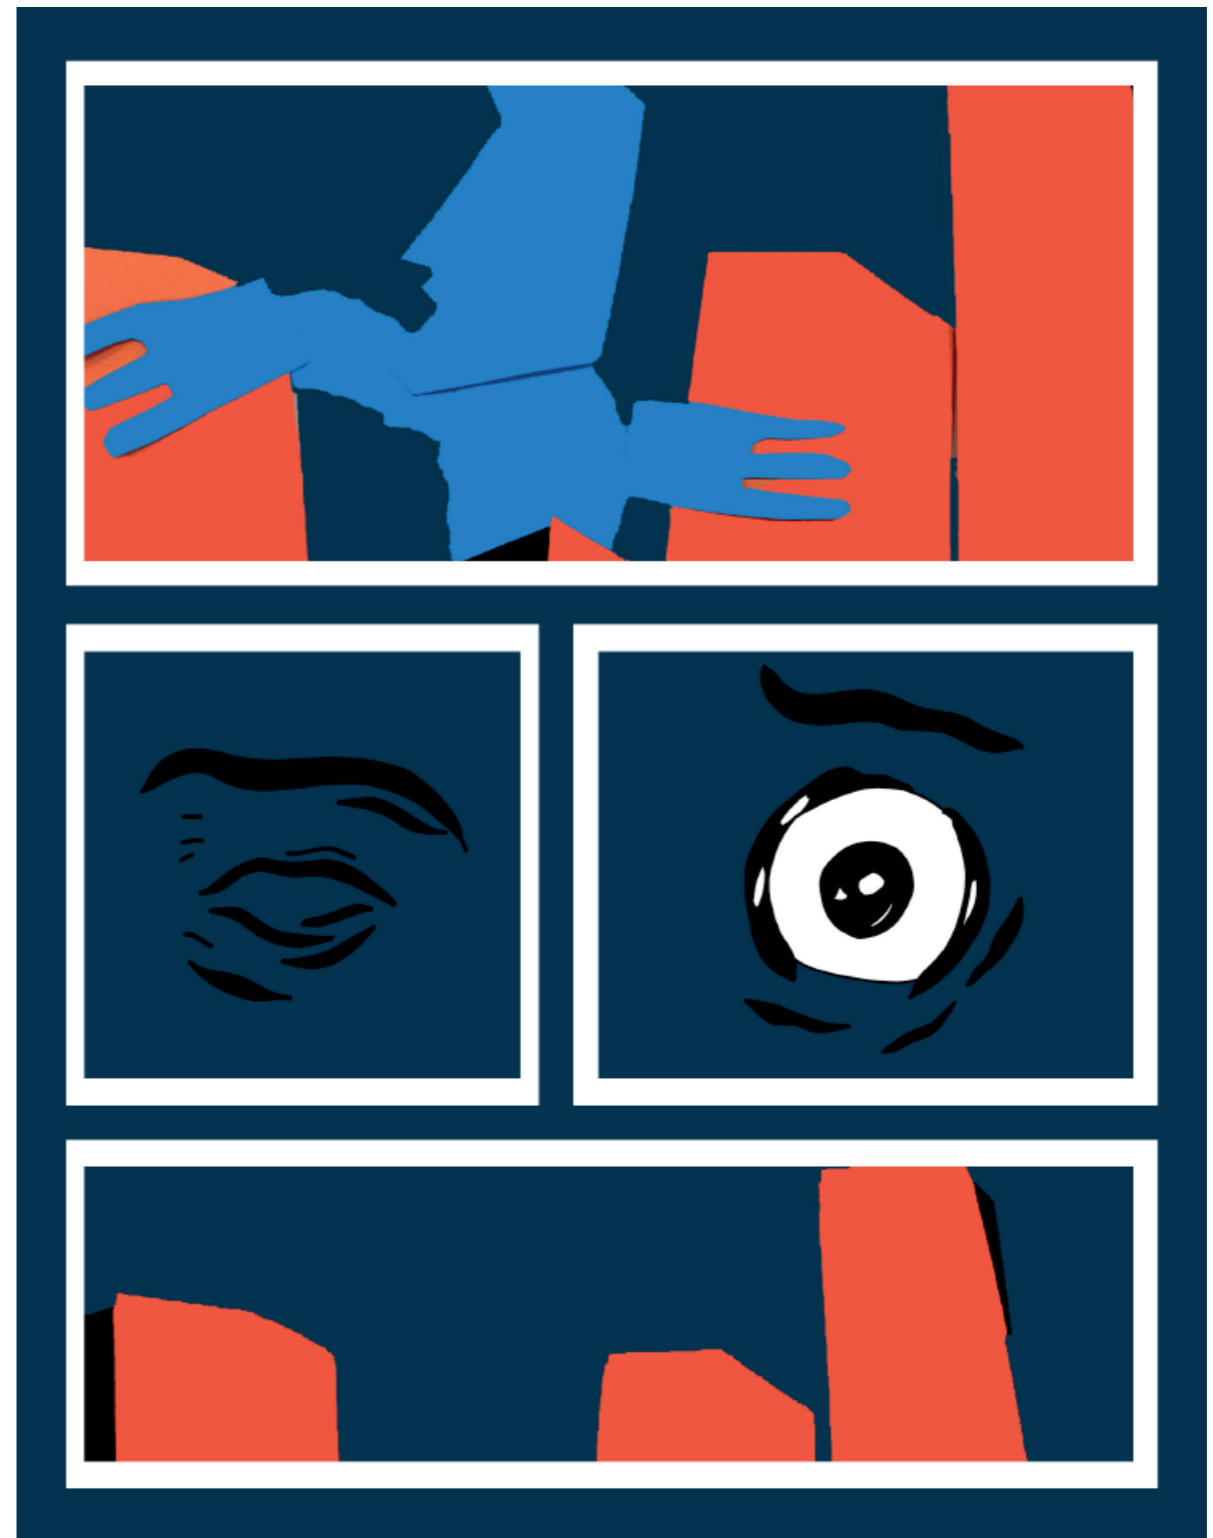

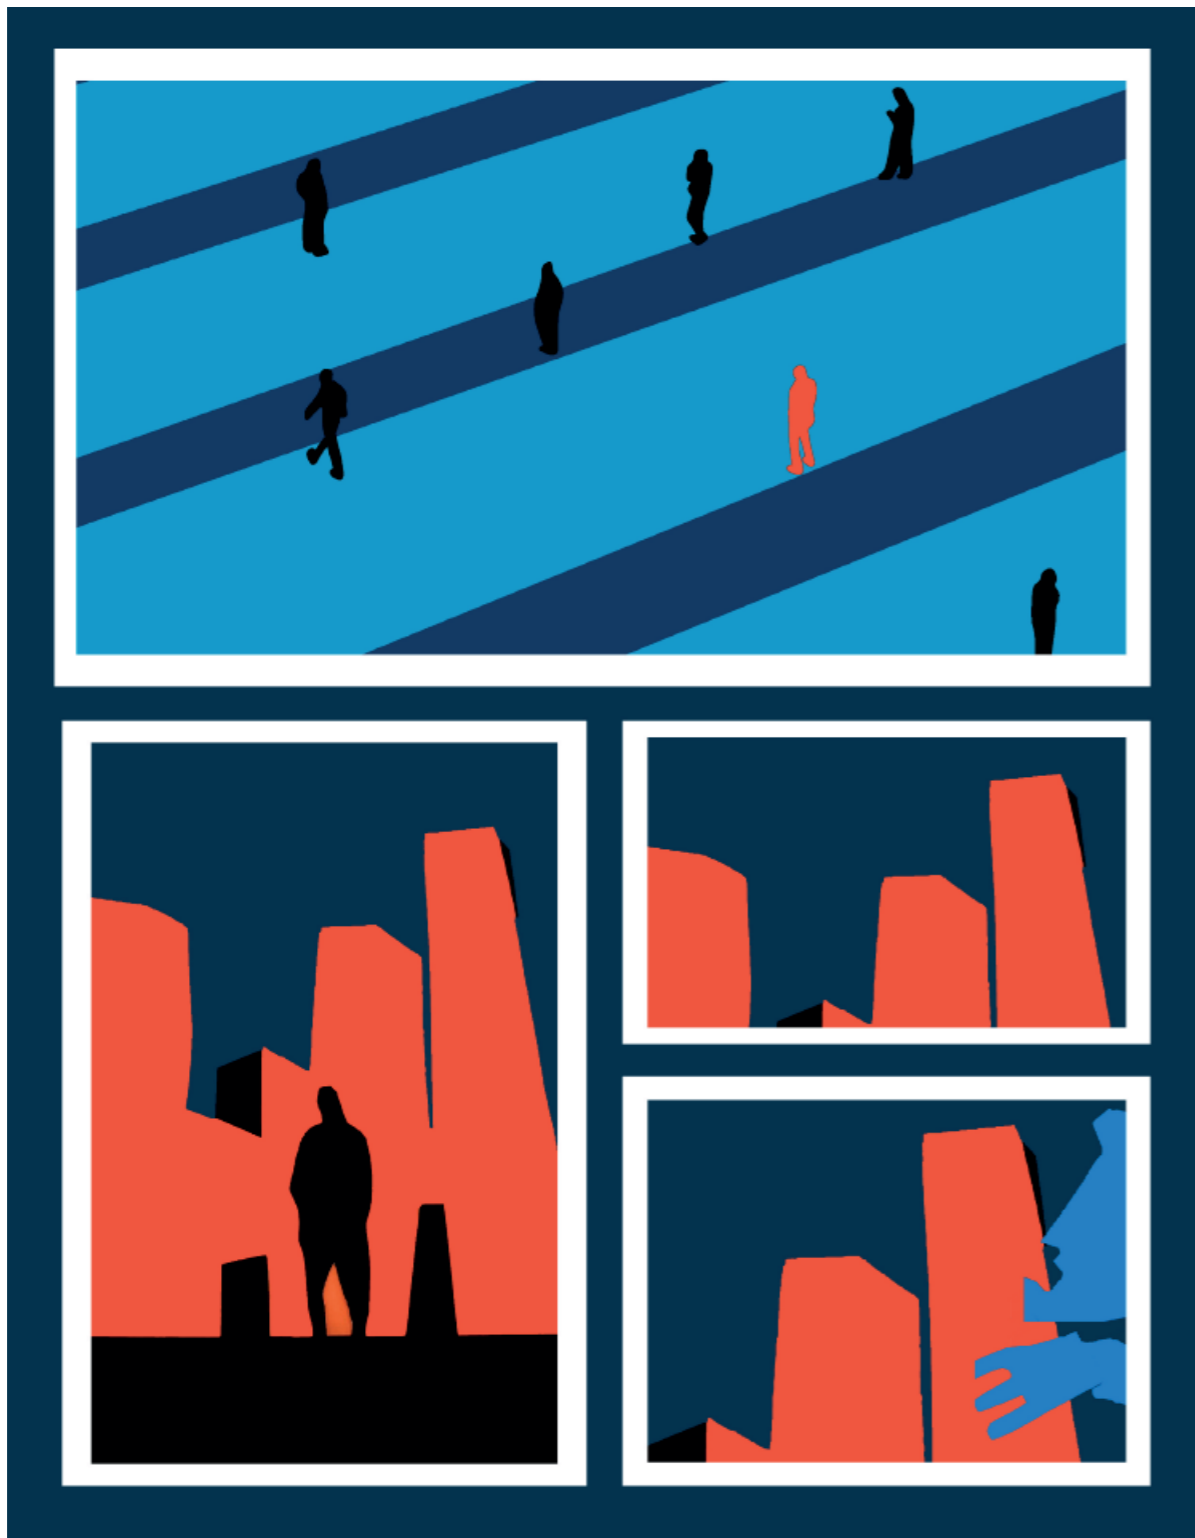

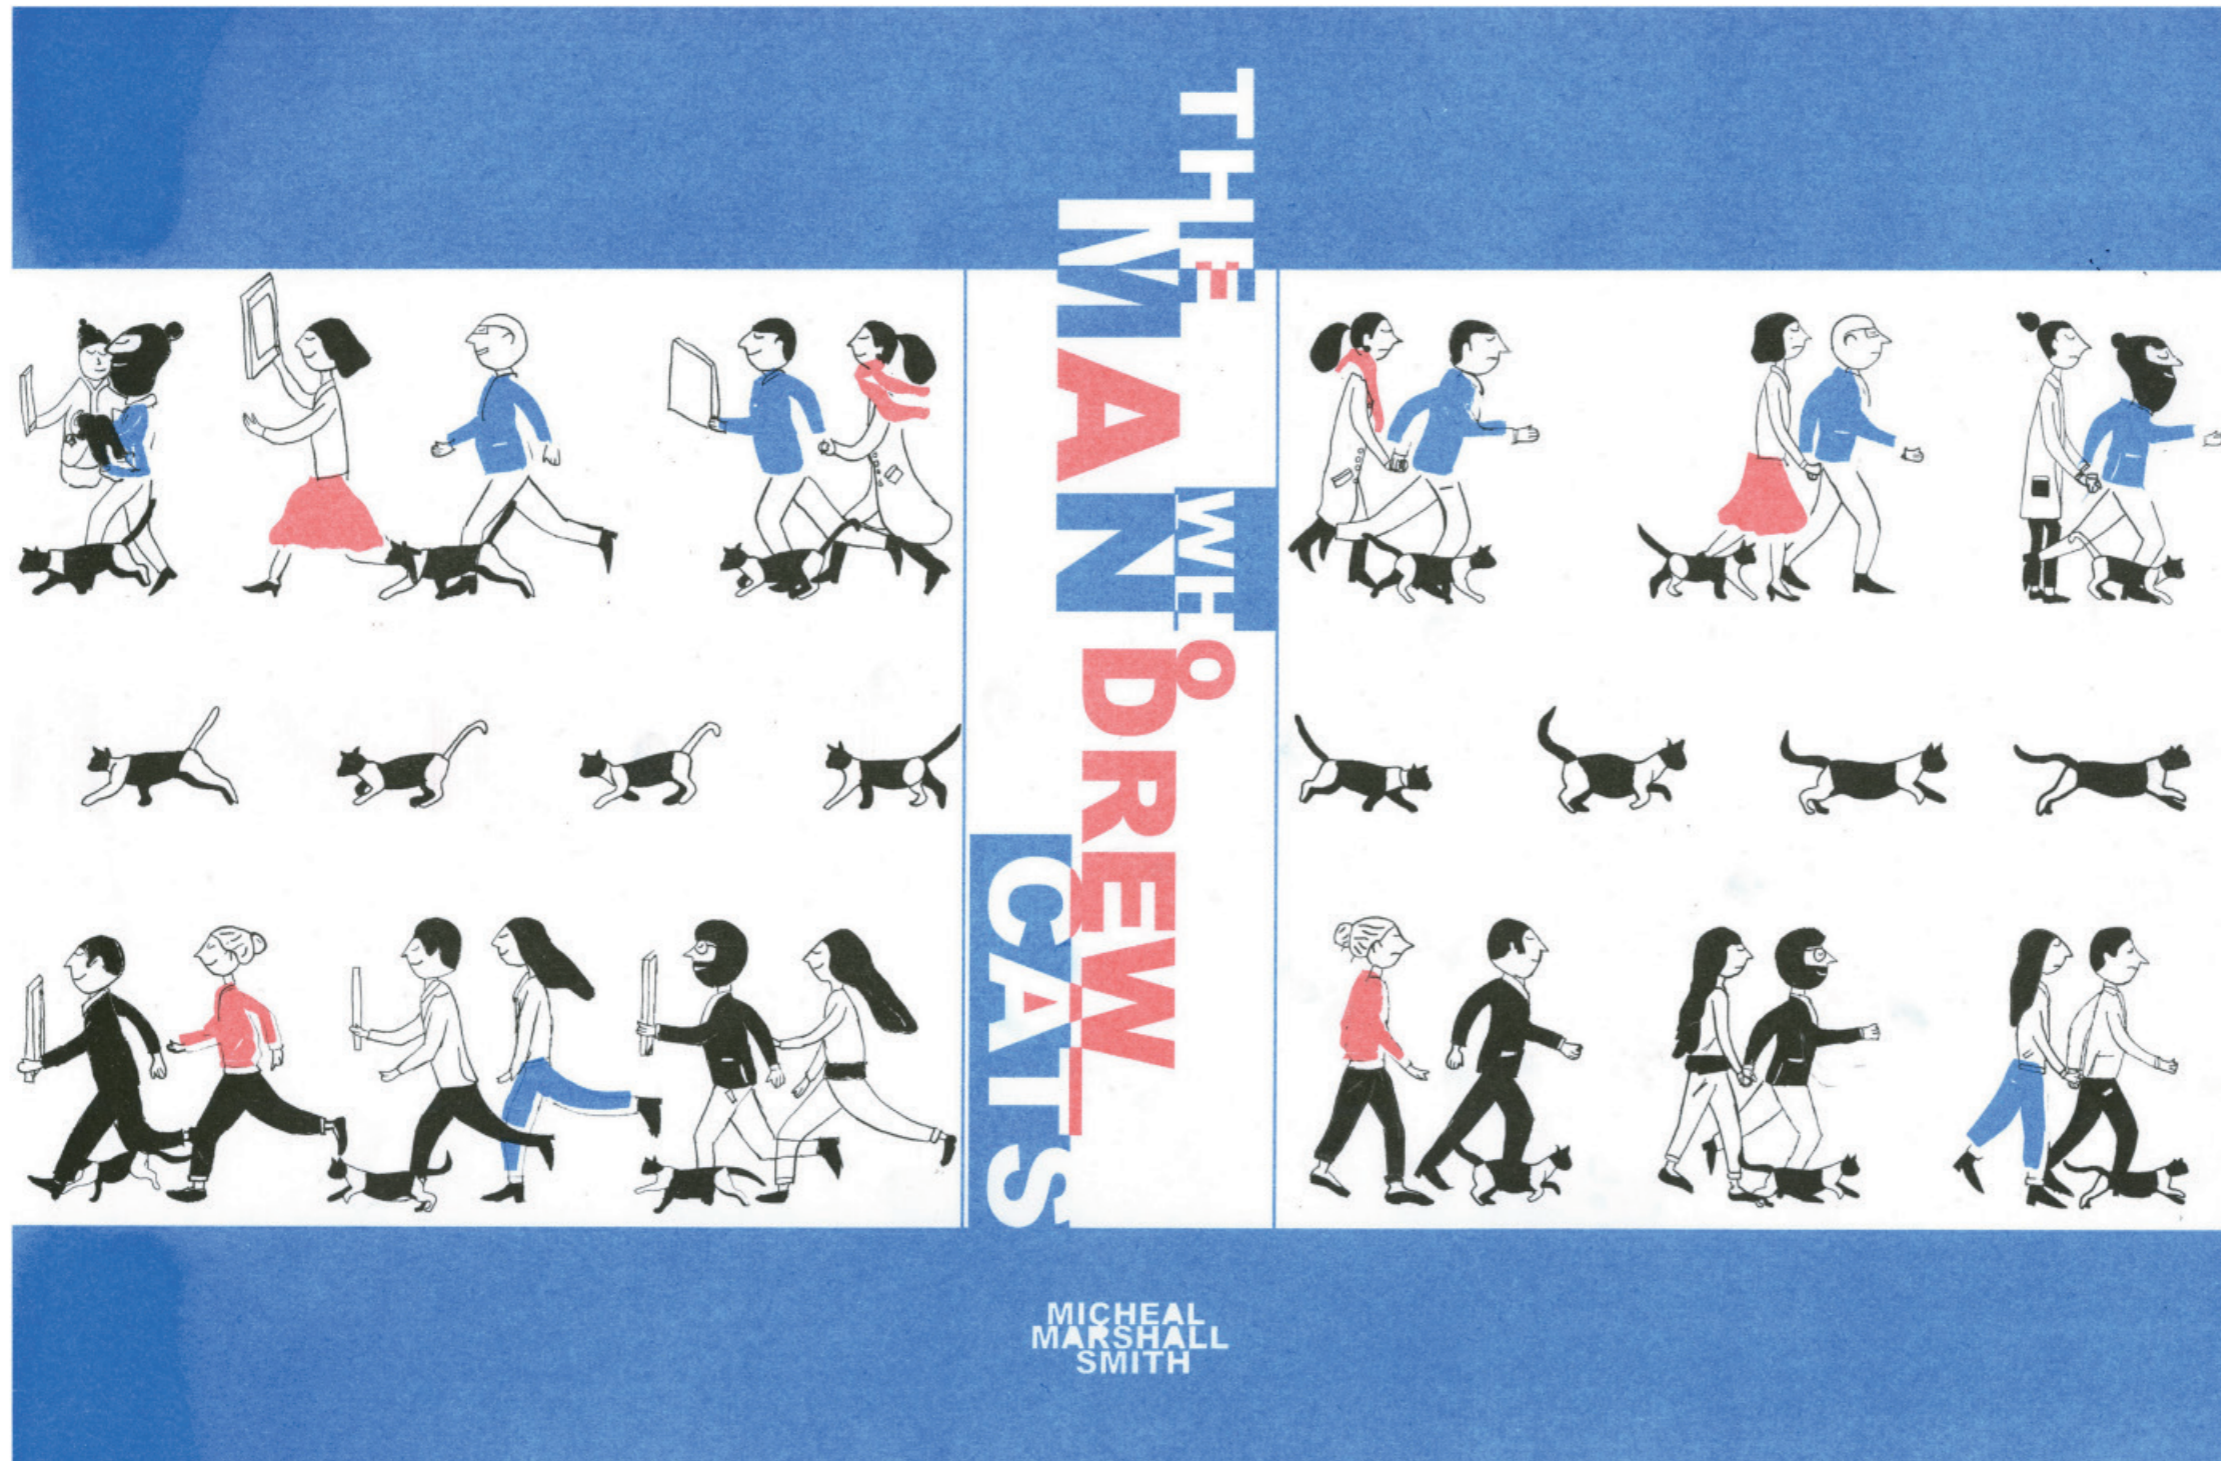

03: Graphic Novel

In response to a brief consisting of creating a graphic novel without text, telling a short story revolving around hallucinations.

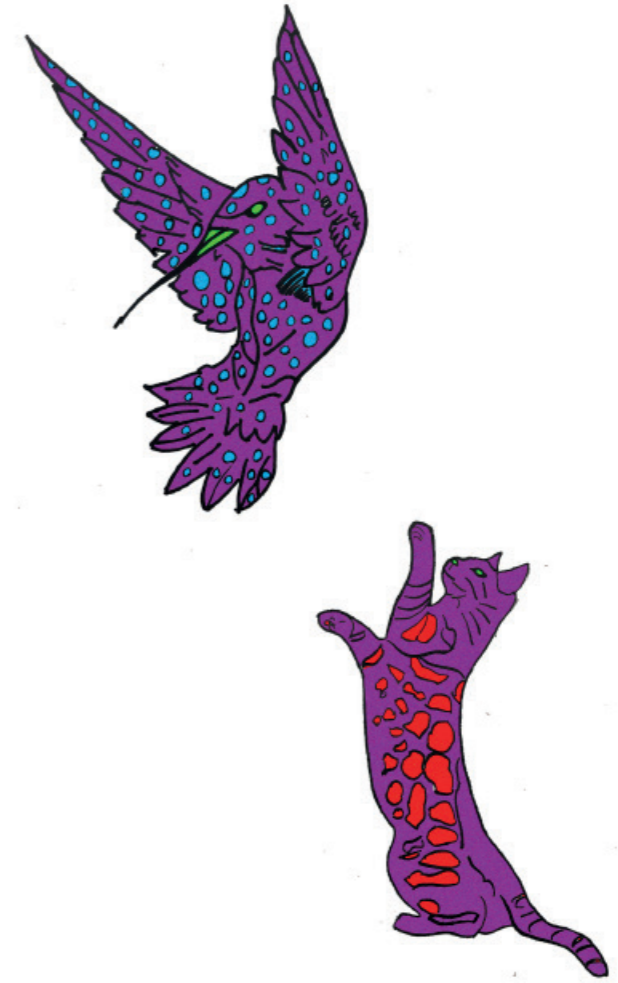

05: The Man Who Drew Cats

A brief consisting of creating a Book cover and an inside illustration, recreating part of the story inside and applying it to the outside to give a feel of the book.

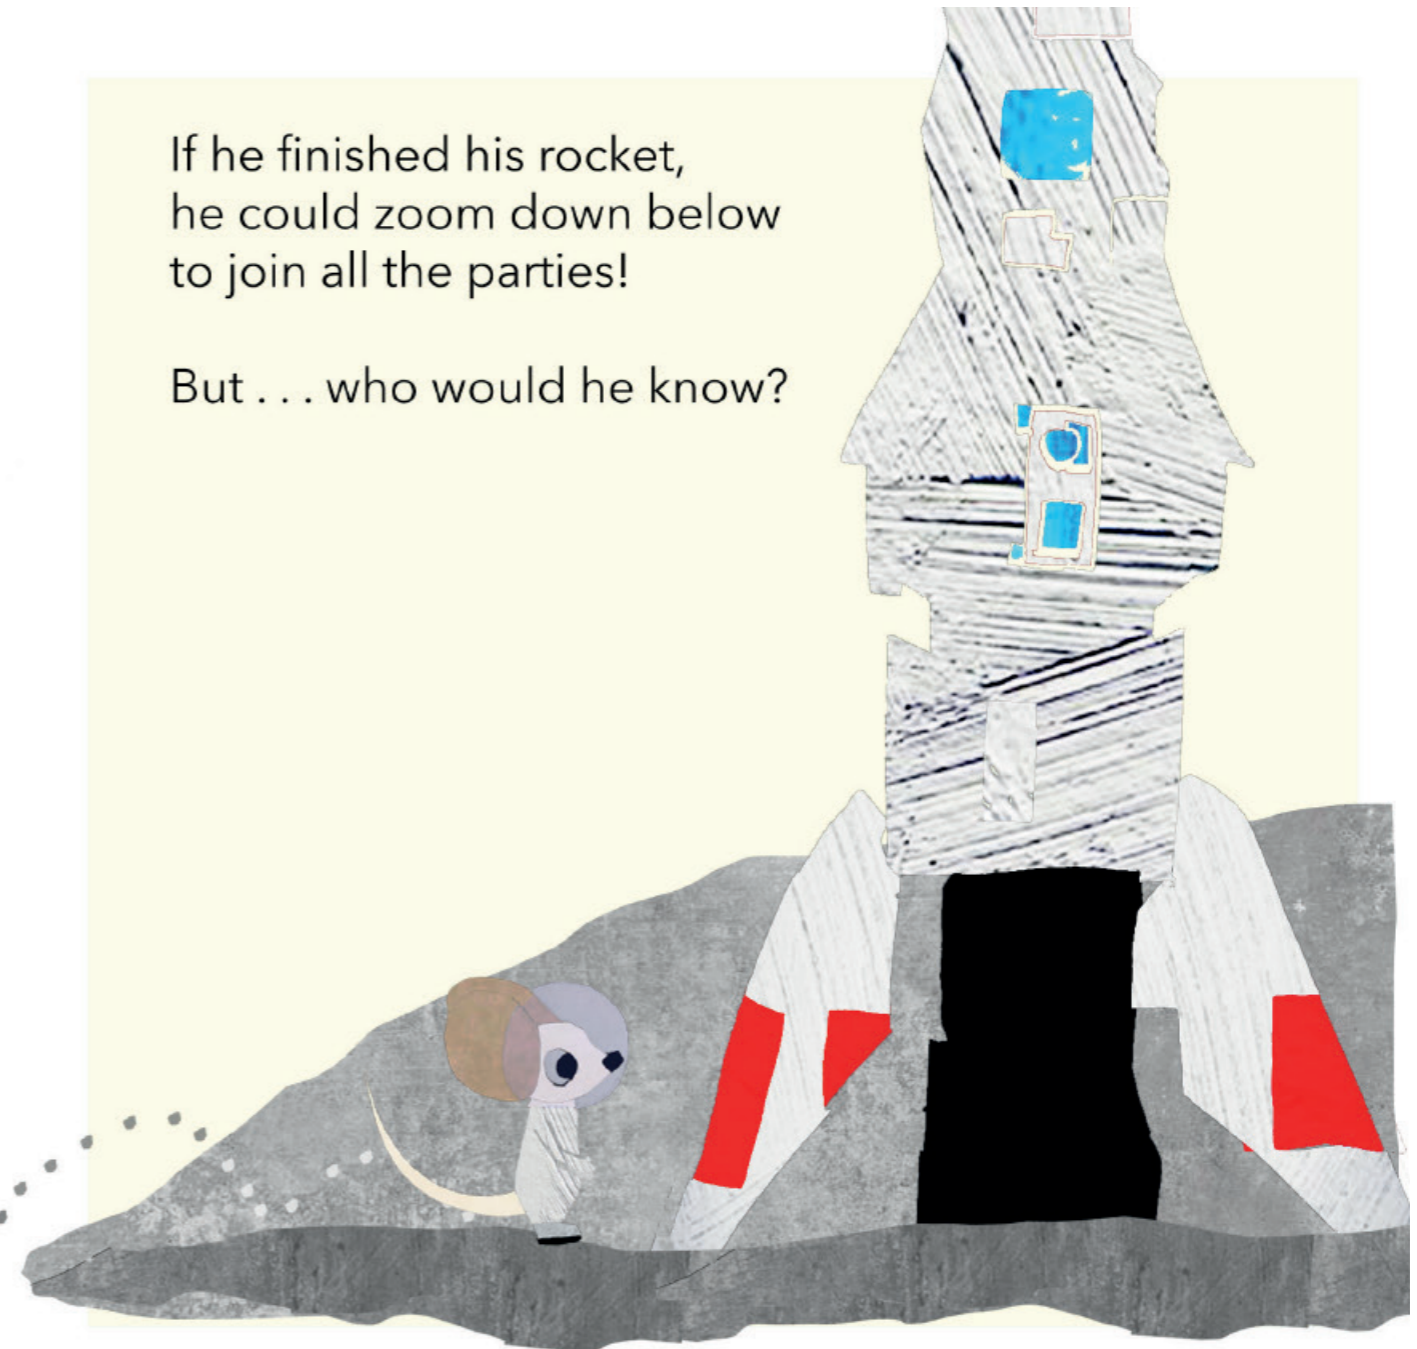

But alone isn't lonely,
good ideas are like friends.
Moon Mouse keeps on Tinkering
with space odds and ends. . .

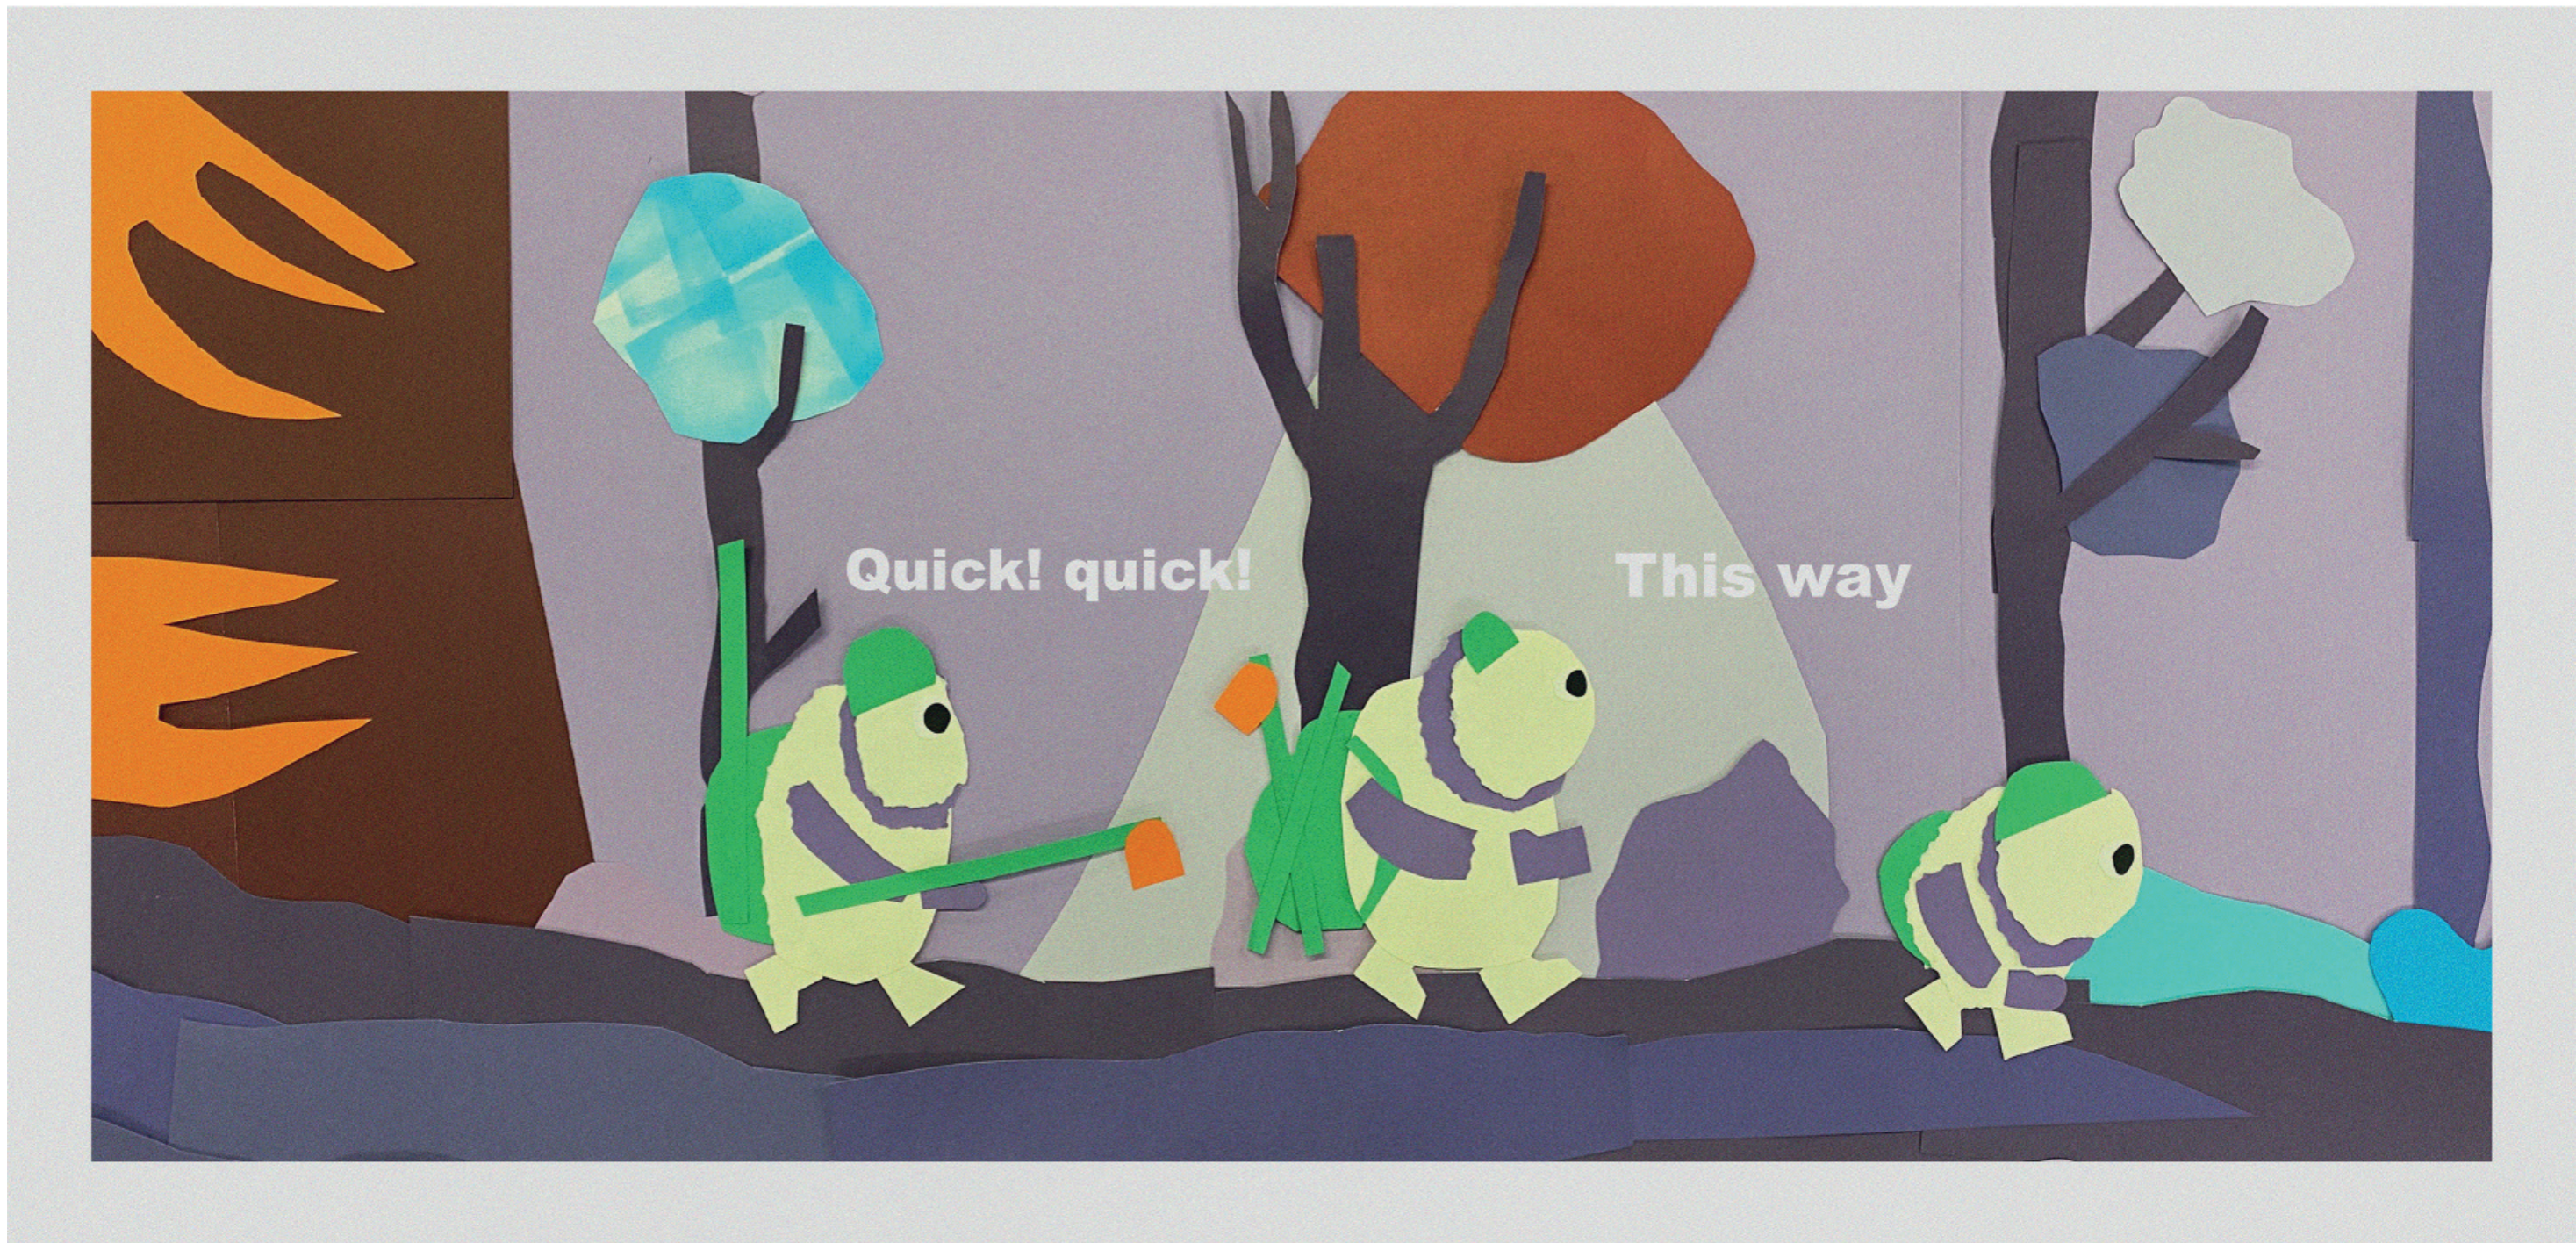

If he finished his rocket,
he could zoom down below
to join all the parties!

But . . . who would he know?

06: Competition Brief 'Moon Mouse'
